

SPORT.

SOME GOOD RACING.

The first Stamp bicycle race meet was given yesterday afternoon on the state fair grounds track, and unfortunately for the future of the sport in this vicinity the attendance was discouragingly small, not more than 400 people being present. No doubt the spectacular attraction of the "Immunes" leaving for the south detracted from the size of the crowd. The sport was good and in nearly every race the finish was close and exciting. George Banker, the famous Pittsburgh professional, attempted to break the mile track record made by Arthur Zimmerman, 1:56-1-5, but poor change of pace by the tandem made the breaking of the record impossible. The time was 2:04 flat.

A summary of the events was as follows:

One mile professional—Banker, first; Kunkel, second; Krupps, third. Time, 2:02-1-5. Referee Stevenson placed a time limit of 2:25 on this race, and as it was not even closely approached, it was declared no contest.

One-half mile amateur—First heat, C. A. Briant, first; Carroll E. Beatty, second; H. F. Perry, third. Time, 1:19. Second heat, P. J. McLain, first; W. R. Lanam, second; Alfred Kaufman, third. Time, 1:15. In the first heat, the colored rider, Crawford, of Wellsburg, made a poor race for the field until passed on the last eighth. Here both Briant and Beatty jumped out and made a pretty spurt for the place, Briant winning by half a wheel's length. Beatty was close up in third place. These three men qualified for the final. In the second heat, Lanam went out from the bunch just before the last quarter was entered and set a fast pace for the field. The ex-Bridgeport rode well but was caught a hundred feet from the tape by McLain, who finished in first place, to Lanam's second and a hair breadth ahead of Kaufman. The final was then run, and the contestants finished in this order: McLain, first; Kaufman, second; Lanam, third. Time, 1:19. Not having approached the time limit of 1:15, this race, too, was declared no contest by the officials.

Multiple race, professional, one mile—Baker and Walters, of Pittsburgh, on the tandem, won from Dech, Kunkel and Barbee who were on single machines. It was an easy victory for the double machine, which passed the singles half a mile from the finish. Barbee made a desperate effort to scud in behind the tandem for a paper but the Pittsburghers put on steam and the contest was decided then and there, the singles giving up. The time was 2:13.

Pursuit race, amateur—Briant, McLain, Kaufman, Beatty, Bell Lanam, Fredericks, Swan, Albright and Plevier started. One by one men were passed until finally the contest narrowed down to Lanam, Kaufman, Briant and Bell. Of the quartette, Bell was the first to give up and he was shortly followed by Briant, leaving Lanam and Kaufman to fight it out. The men had ridden twelve miles at a fast clip and the two were nearly a quarter of a mile apart when Kaufman suddenly raised his hands as he passed the stand and quit, leaving Lanam sole contestant and winner. The Bridgeport boy was heartily applauded by the audience.

Two mile handicap, professional—Krupps, first; Barbee, second; Kunkel, third; Walters, fourth. Time, 5:03. The finish between Krupps and Barbee, of Wheeling, for the win was very close and exciting.

BOXING.

The Bridgeport club is going after big game, and its patrons will have a chance soon to see the mighty Dan Creedon in the ring, if negotiations now under way pan out. Oscar Gardner, the club's matchmaker, is in receipt of a letter from the manager of a fast Chicago middleweight, and Gardner will try to get Dan Creedon to go on with the westerner. Creedon would be a great drawing card.

The Bridgeport club hasn't given up hopes of pulling off a contest between George Dixon and Oscar Gardner, despite Tom O'Rourke's silence regarding his dusky protégé. The club will now make O'Rourke the offer of a \$1,500 guarantee, or seventy per cent of the gate receipts, and they expect to receive a satisfactory response in a few days.

The next boxing event in this vicinity occurs Monday night in the Metropolitan arena, between the welter weights who put up such a terrific twenty-rounds recently at Bridgeport. Charley Burns is training faithfully in the East End, and Charley Johnston is expected to reach here this week. Their battle is occasioning considerable speculation all over the country.

Manager Pearce, of the Metropolitan Athletic Club, received a challenge last night from Dan Gallanagh, of Philadelphia, the backer and manager of

How often you see a man deeply engrossed in his work, full of satisfaction at what he has accomplished in business, ready to go ahead and carry out his schemes of achievement, and using up all his strength and nervous force never pausing to think what unseen danger may threaten him from behind. Mighty men ever stop to realize that the headaches and dizzy sensations and feelings of weakness and sluggishness and incapacity that overcome them at times are the forerunners of serious disease.

More men would succeed in carrying out their life purposes if they would put their constitutions in strong, forceful, high condition, without waiting until disease has plunged its axe into their vital organs. If a man who is using up his working vitality faster than his nutritive powers supply it, will use Dr. Pierce's Golden Medical Discovery as an adjunct to his daily meals, it will give the digestive organs power to hold the food and extract from it the elements which strengthen the vital organism and build up healthy blood.

It revitalizes every organ and tissue of the body; purges bilious poisons out of the circulation; invigorates the nerve centers and the muscular system and makes a man altogether a man—full of ambition, energy and pluck.

Mr. Jos. Henderson Dirblau, of 54 Josephine Street, New Orleans, La., writes to Dr. Pierce: "I was sitting for some years, suffering from dyspepsia, a tired feeling and loss of energy and appetite. I tried one bottle of Dr. Pierce's Golden Medical Discovery and found great relief. I took two more bottles, three in all, and now I feel like a new man. I feel like I found myself in good health again. I recommend Dr. Pierce's Golden Medical Discovery to all who are in need of it."

Liver Trouble

When the yellow flag of quarantine is hoisted over a dwelling it means disease and danger. So when the yellow flag flies in the face—when the cheek is sallow and the clear white of the eye is dyed saffron—there is danger. It is liver trouble. The liver is one of the most important organs of the body. On the proper discharge of its functions depend human health and happiness. When the liver fails of its duty, poisons at once begin to generate, and other organs of the body become involved. Never neglect the liver if you value health. If you are suffering from liver trouble, begin at once the use of AYER'S PILLS and you will find prompt relief and permanent cure.

"I was so weakened by liver trouble that I could scarcely lift my head. While in this condition I began the use of Ayer's Pills, and finding almost immediate benefit, continued their use until I was cured of my complaint."

Towner, N. D.

Cincinnati's clever light weight, James Francy, in behalf of the latter, to meet the winner of Monday night's battle between Burns and Johnston. Francy is willing to take on the man who receives the referee's award at 135 pounds, or catch weight, before the Metropolitan Athletic Club, and he has a decision and two draws on his record with the "Beau Brummel" and also a ten round draw with "Champ" Jack Daley. It is more than likely that the Metropolitan will make an offer to Cincinnati's pride, providing his challenge is accepted by the winner.

Philadelphia sports are interested in the outcome of Charley Johnston's engagement with Burns. Reports have reached them from the last meeting of these two that were not favorable to the Quaker City lad, and they are inclined to think a boxer that can give their favorite such an argument in the ring, deserves credit for possessing more cleverness than the ordinary "pug." However, they still pin their faith to Johnston and are confident that he will return victorious to the City of Brotherly Love.
